This week, three Saint Viator students will travel to Rouen, France to compete in the French Cup synchronized team skating competition as part of Team USA. Sophomore Laura Paprocki and freshman Jackie Cruz, both of Palatine, are part of the Chicago Jazz Junior team. Junior Jenny Walesa of Prospect Heights is part of the Starlights Senior team.

The Jazz Junior team has been a part of Team USA for more than 10 years. This is the first year for the Starlights competing at the senior level, and this is their first international assignment.
