

SAINT VIATOR HIGH SCHOOL 2012-2013 TUITION ASSISTANCE PROGRAM

The Clerics of St. Viator founded Saint Viator High School to meet the educational and spiritual needs of young people from diverse socio-economic backgrounds. To ensure that this mission remains accessible to as many students as possible, the Tuition Assistance Program was established to aid families with the desire to be part of the Viatorian tradition. Through the generosity of our founding and sponsoring community, the Clerics of St. Viator, our alumni, parents, friends and benefactors, this program has grown significantly over the years and continues to be a priority for the Board of Trustees and the Advancement Office.

During the 2010-2011 school year, over \$1.2 million in tuition assistance was awarded to more than 26% of the student population. Over \$1.2 million has been awarded to date for the 2011-2012 academic year. The individual award amounts range from a minimum of \$1,000 to a maximum of \$6,000 and are based on a case-by-case evaluation of each application.

To qualify for Tuition Assistance, each family must complete the Student Aid Form and submit it to PSAS by March 1, 2012. Each family must also complete the Saint Viator High School Application for Tuition Assistance and submit it to Saint Viator by March 1, 2012.

At times, unexpected financial difficulty arises once the school year begins. Saint Viator offers special circumstances grants for emergency tuition assistance. If aid becomes necessary, families may contact the President at any time after the start of the school year to discuss their situation.

Please note: the Illinois High School Association has determined that no athletic scholarships are to be awarded at any high school in Illinois. Saint Viator High School strictly adheres to the rules and regulations of the IHSA.
